

Sumeet Bhambri

Head, Wealth Management,
Standard Chartered Consumer Bank
UAE

Sumeet Bhambri, Head, Wealth Management, Standard Chartered Consumer Bank UAE, is responsible for strategy, business and product development for the Bank. In his role, Sumeet also oversees the advisory services offered by the Bank for investments, treasury and insurance products to the retail, mass affluent, high net worth and SME customer segments. He has been with the Bank for more than five years.

Prior to his current role, Sumeet was Regional Head of Investments and Treasury Products, Wealth Management, Standard Chartered Middle East and Africa. In that role he was responsible for driving new product development, training and governance across the region.

Before joining the Bank, Sumeet worked with ABN Amro Bank, UAE in Van Gogh Preferred Banking as well as with Alliance Capital Asset Management in India for five years heading up the institutional sales and distribution for North India.

Sumeet holds a CFA charter and a Master's degree in Finance from Delhi University, is married with two children and enjoys playing squash in his spare time.
